

SERVICE-DISABLED VETERAN-OWNED | SBA SDVOSB CERTIFICATION IN PROCESS | SMALL BUSINESS

COMPANY OVERVIEW

Blue DVSN International is a service-disabled veteran-owned program management firm supporting the Defense Health Agency, the Military Health System and the prime contractors that serve them. We keep schedule, cost, risk and reporting on baseline for readiness, medical logistics and health program operations. Founded and led by a Medical Service Corps officer with an MBA, MPH and PMP who built a medical logistics function from zero.

CORE COMPETENCIES

Readiness and Medical Logistics

- Medical logistics program setup
- Asset and property accountability
- Readiness tracking and reporting

Process Improvement

- Operating model design
- Workflow and process rebuild
- Training and change adoption

Program Management

- Full lifecycle planning and execution
- Schedule, cost and risk control
- PMO setup and status reporting

Decision Support

- Data analytics and reporting
- Risk management and audit readiness
- Acquisition support

WHY BLUE DVSN

- **Military health from the inside.** Medical Service Corps officer who stood up a medical logistics function.
- **Statewide operations.** Led 450 service members across 79 counties.
- **Program discipline.** PMP, MBA and MPH in one leader.
- **Ready to award.** Active SAM.gov registration, UEI and CAGE in hand.

PRINCIPAL LEADERSHIP

Don Brathwaite Jr., MBA, MPH, PMP. Founder and Managing Member. More than a decade as a military officer and enterprise program manager, specializing in health programs, medical logistics and large-scale operations. Led 450 service members on Texas's statewide COVID-19 vaccination operation, which reached more than 4 million people.
